Subject: ISACA Germany: Scholarship, Thesis Award, Events, Seminars

Dear All,

we would like to remind you that the application deadline for our scholarship is **July 3, 2023**. Any cybersecurity master's student is eligible to apply. In addition to the scholarship i. of **$7,500**, the awardee will also receive a Career Building Bundle from ISACA including a free one-year ISACA student membership, ISACA course, mentoring, and more.

More info on the scholarship, as well as how to apply for the scholarship, can be found here: ISACA Germany Chapter Scholarship

If you have any questions about the scholarship or the application, please contact Julia Hermann.

We are looking forward to your application!

THESIS AWARD 2023

Once a year, the ISACA Germany Chapter awards a prize to the best academic thesis dealing with IT governance, information security, IT risk management or related topics. Technical aspects (e.g. IT security) are not in the focus.

Master's and bachelor's theses written in the current or previous calendar year at a German-speaking university can be submitted. The **deadline for submissions is July 31, 2023**.

The award will be presented at the IT-GRC Congress 2023 on November 7 and 8, 2023 in Munich.

Further information about the Thesis Award can be found here.

PUBLICATION

Implementation Guide ISO/IEC 27001:2022

The team of authors from the Information Security Specialist Group has revised the ISO/IEC Standard 27001 Implementation Guide produced in 2016.

The updated ISO/IEC 27001:2022 Implementation Guide contains practical recommendations and guidance for organizations that are either already operating an ISMS in accordance with the international ISO/IEC 27001 standard or wish to establish one, regardless of existing certifications or those they may be seeking. The guide provides pragmatic support and advice to all stakeholders involved in setting up and/or operating an ISMS. The advantages of an ISMS that is customized to organizational needs, but at the same time standard-compliant, are highlighted. In particular, practical recommendations for establishing or increasing the maturity level of existing ISMS processes as well as typical examples of implementing various requirements are presented.

The guide can be downloaded from our website: Download

EVENTS

Innovation & Tech Talk Online Event

The specialist groups Innovation & Tech Talk and Cyber Security invite all members and interested parties to the Tech Talk **on 23 June 2023** from 2 pm to 3 pm (CEST) on the following topic: **Quantum computing and its impact on IT security**.

In this talk, **Prof. Dr. Bettina Just**, Professor of Mathematics and Computer Science at the Technische Hochschule Mittelhessen (THM), will go into more detail about quantum computing in the context of IT security.

You will receive **1 CPE** for attending. Further details and the link for registration can be found here.

Regional ISACA Regulars' Table

Our **next regulars' table** will take place **on 28 June 2023**, starting at 5 pm **in Weinheim**, at the premises of suhling management consulting (Hauptstraße 128, 69469 Weinheim). The maximum number of participants is limited to 10. After the presentation by Mr. Peter Suhling on the topic of **"Occupational health and safety compliance - risks and opportunities"**, you will have the opportunity to exchange ideas among yourselves on audit topics and to round off the evening in a nearby pub. You will receive **1 CPE** for attending.

Another regulars' table will take place **on July 13, 2023**, starting at 6 p.m. **in Frankfurt am Main**, at the ALEX Frankfurt Skyline Plaza. The aim of the regulars' table is a general exchange of expertise - focusing on issues that are currently affecting the round in the respective companies - as well as stronger networking among the members.

Further information about the regulars' tables and possibility to register can be found here.

Focus Event on 6 July 2023 (hybrid event)

The ISACA Germany Chapter invites you to a joint focus event with Deutsche Telekom **on 6 July 2023** from 18:00 to 20:00. The event will take place at the headquarters of Deutsche Telekom AG **in Bonn**. **Online** participation is also possible.

After the presentations, there will be an opportunity to round off the evening in a nearby pub. You will receive **2 CPEs** for attending. Further information and the possibility to **register** can be found here.

PARTNER EVENT

RISC Congress 2023

As part of our cooperation with the Frankfurt School, **ISACA members** will receive a **100, - Euro discount** on the participation fee at the RISC Congress. If you register **by June 30, 2023**, you will even receive a **further 100, - EUR discount**.
The congress will take place **on October 10, 2023 in Frankfurt**. Participants will receive a certificate for **8 CPEs** from Frankfurt School upon request. Further information about the program, the speakers and the possibility to register can be found on the congress website.
